Residential English Language Courses

Vacational Studies Courses have been running for 17 years and we have tried in this time to develop a programme to provide an enjoyable balance between 'vacation' and 'study'. Here is our programme for Summer 1988.

Recognised by The British Council

Vacational Studies is 'Recognised as Efficient by the British Council' and is a member of ARELS-FELCO (The Association for Recognised English Language Teaching Establishments in Britain) — a professional body, membership of which is granted only after thorough inspection and 3-yearly re-inspections.

What we try to do

Vacational Studies tries to create a totally international Course with students from as many different countries as possible. We avoid accepting a large number of students from any particular country. In this way we try to ensure that English is the main medium of communication among the students. By using English not just as a school subject, but as a living language, we hope our students will realise better its importance and value. When children must use English to make friends, the element of self-motivation greatly increases their fluency.

This emphasis on the practical use of English is combined with a full sports, social and excursion programme helping children to learn 'English internationally.....'

Residence

The Courses are all fully residential. The children sleep, eat and receive classes in the Schools.

The Students

We accept boys and girls aged 11 to 16 — near-beginners, intermediate and more advanced students. We also accept a small number of students at 17 — normally only if they have been with us before. Beginners are not accepted.

The Courses are sports-orientated and need social development in a

The Schools and Surroundings

For 1988 our Courses are at four Schools near Newbury. The Mary Hare School, Cheam School, Elstree School and Hawtreys. Newbury is in a pleasant part of southern England amid the hills of the Berkshire Downs in a rural area well known for race-horse training. Newbury is a small market town 70km. west of London and 45km. south of Oxford. Our four School buildings are among the finest in the area.

The Mary Hare School

The Mary Hare School is a large mid-nineteenth century manor house. There are formal gardens and extensive grounds which include several large playing fields, a range of tennis courts, a gymnasium and a large indoor swimming pool. A planned maximum of 105 students will be accepted.

Cheam School

Cheam School is an elegant late-nineteenth century mansion with impressive interior designing on a grand scale. A particular feature is the sunken formal garden. There is an excellent multi-purpose sports hall/gymnasium. The School's large grounds include several playing fields, lawns and woods. A planned maximum of 95 students will be accepted.

Elstree School

Elstree School is a splendid, large eighteenth century country house, attractively set in 40 acres of grounds with large playing fields, gardens and woods. It has a modern well-equipped gymnasium. A planned maximum of 85 students will be accepted.

Hawtreys

Hawtreys is an impressive mid-nineteenth century stately home owned by the Marquess of Ailesbury, set in 55 acres of grounds with playing fields, gardens, woodland and open spaces. The classrooms are contained within the main building. A planned maximum of 85 students will be accepted.

All Schools have swimming pool; tennis/basketball/volleyball courts; football fields; sports hall;

Choice of Course

The Courses at Mary Hare, Cheam, Elstree and Hawtreys have the same format, but each develops its own atmosphere and traditions. The Courses are of 4 weeks' duration, except 'Cheam 2'. See note in the 'News-Sheet' for special information about 'Cheam 2'. Dates are:

The Teaching

A staff of qualified, professional teachers, experienced in the teaching of English as a foreign language give 4 classes, each of 45 minutes, every day except Sunday and the weekly excursion day. In addition, there is a supervised 30 minute study period each afternoon. Classes are graded according to age and ability in English. Students are placed first in an 'assessment group', then in what we consider to be the correct teaching group. Class placements are constantly reviewed and students may be moved to more or less advanced classes, according to their performance. The teacher:student ratio is approximately 1:13. Maximum class size is 16. We provide all books and teaching materials. The teaching is by 'direct method'. Both oral and written English are taught and there is an emphasis on conversation practice.

Sports

Sport is an important part of the Course. Our Sports/Social Organiser arranges a regular programme including football, basketball, volleyball, baseball, tennis, table-tennis, swimming, etc. Competitions run throughout the Course. There is also a 4-School 'Sports Day' when all four 4-week Courses meet for friendly competitions in the major sports.

We take all practicable safety precautions — for example, children using the swimming pool are always supervised by a teacher.

Social Activities

We try to create a relaxed and friendly 'family' atmosphere in which children will feel 'at home' quickly and make good social contacts. There is a variety of activities on the programme — discotheques, films, barbecues, folk-singing, concerts, games, optional theatre visits, etc. The programme is a full one. There is always something to do and children are encouraged to participate.

Excursions

Newbury is well situated as a centre for various excursions. For 1988, there will be two excursions to London. One will be principally for sightseeing where the students will be in small groups, each with a teacher, to see various interesting parts of the capital. The other will be for shopping or sightseeing or a combination of both. As far as possible, students will be able to choose for themselves what they see and do in London. The third excursion will be decided after the students and staff have discussed where they wish to visit. Some students may, of course, prefer to remain at the School. The fourth excursion will be the grand 'Sports Day'. All these excursions are included in the Course Fee. (There is no fourth excursion for 'Cheam 2'.)

Shopping Afternoons (Optional Extra)

In addition to the organised excursions above (which are included in the Course Fee), there are three optional shopping afternoons (not included in the Course Fee), either in Newbury or in other towns near the School. (There are two optional shopping excursions for 'Cheam 2'.) We think it is safe for children to shop in these towns unaccompanied by staff, if parents have indicated their agreement to this on the Application Form. This helps children to achieve a measure of independence. Children can be accompanied by staff if parents or we so wish and there will be several staff in the towns while the children are shopping. Travel is by private coach from the School, payable by students if they wish to go. The cost of transport is in the range from 80p to £1.30.

Tennis Lessons (Optional Extra)

Children may play tennis at any time, but we can arrange professional lessons, if required. These are available for beginners or near-beginners only. 8 one-hour lessons (4 at 'Cheam 2') are given in groups of no more than 4 and must be requested in advance on the Application Form. If tennis lessons are taken, a tennis racquet must be brought.

Horse-Riding (Optional Extra — not available for 'Cheam 2')

4 one-hour horse-riding lessons are available at the Newbury School of Riding for novices and more advanced riders in groups according to ability. The cost includes transport to and from the Riding School and the hire of a hat. Children must bring strong shoes or riding boots. These lessons must be requested in advance on the Application Form and include 'hacking' at the discretion of the Riding School. 'Hacking' is riding in the countryside in supervised groups. Students will only be allowed to 'hack' when they are considered sufficiently competent. Jumping can be included if parents indicate their agreement on the Application Form. The Riding School has excellent indoor riding facilities. Please note that the Riding School instructors supervise students during lessons. Our staff do not accompany students. The number of riders is limited to the first 15 on each Course who apply.

As tennis and horse-riding lessons are pre-arranged, it is not possible to refund the cost of lessons booked, but not taken, so parents are asked to make sure their children really want them.

Meals

We realise that food is an important part of the Course. Meals are prepared and served at the Schools. Students are able to select from a choice of two hot meals or a mixed salad bar. Fresh fruit and vegetables are always included. Cold orange juice is available at all times. A typical day's menu is:

Breakfast:

Choice of cereal
Hot rolls and butter
Marmalade and jam
Tea or coffee

Lunch:

Fried plaice garni with chipped potatoes and tomatoes or
Chicken with mashed potatoes and sweetcorn or
Salad bar
Yoghurt and fresh fruit

Evening meal:

Roast lamb or steak and kidney pie with roast potatoes, carrots and peas or Salad bar
Apple and honey pudding or
Cheese and biscuits

Before bedtime:

Hot chocolate and biscuits

At times throughout the Course the menu will be varied to include: 'English breakfast' (fried egg and bacon with grilled tomato, or similar); 'English tea' (choice of different kinds of bread, choice of spreads, cakes and buns) and barbecued meals (spare rib, sausage roll, jacket potatoes, coleslaw dip, crisps, ice-cream, etc.) There will also be 'national meals'. Students of each nationality will be invited to help the kitchen staff prepare and serve a meal consisting of dishes from their own country.

Theatre Visit (Optional Extra)

'Cats' is one of the longest-running 'smash-hit' musicals in London's West End. It is fully booked months in advance. For 1988, we have already reserved 50 seats for each Course (30 for 'Cheam 2'). The number of students wishing to go will exceed the number of tickets available, so in the ballot for tickets we may bear in mind willingness to use English. As there are special rates for students, the total cost (ticket + transport) will be only about £9 — a real bargain.

Insurance

Every student is now covered by a special Insurance Policy. Full details are on the enclosed information sheet. Briefly, the Insurance includes refund of full Course Fees if certified serious illness or accident during the month before the Course prevents attendance on the Course; private medical treatment to the value of £2,500; personal possessions and luggage cover to the value of £400; personal money cover to the value of £100; return air fare to the value of £200 if an APEX reservation is lost because of delayed or advanced departure through illness or accident while the student is with us.

There is **no extra charge** for this Insurance. Every student is automatically covered (subject to the enclosed conditions) when the application is accepted.

How they will benefit

We hope that our students will learn a great deal of English, make good friendships and develop a positive international feeling. As well as formal study, we concentrate on the holiday aspect of the Course. While we try to involve students in all activities, we naturally respect the wishes of those who like to read quietly or be with friends. Over the years, we have built up an excellent reputation with parents and children all over the world. Many boys and girls spend several summers with us renewing old friendships and making new ones. Most children come to us on personal recommendation. The numbers on the Courses are deliberately kept small so that the staff can get to know everybody and treat each child as an individual.

Teacher's Report

To ensure that all our students are well-motivated and keen to participate, we ask for a brief teacher's report with all applications from new students. This should mention attitude to study and behaviour. No report is needed for students we already know.

How we encourage the use of English

On each Course there are students from many different countries. We try to ensure a mixture of nationalities in classes and dormitories. We aim to stimulate the speaking of English socially in various ways. Members of staff constantly encourage English-speaking around the School; some also sit on children's tables at every meal. Some meals have internationally mixed seating plans, although for most meals students may sit wherever they wish.

Another 'encouragement' to speak English is the 'English Only Raffle' with a valuable prize for the winner — "Trivial Pursuit", or similar. Every student is entitled to one raffle ticket each week if he or she has spoken English much more than his/her own language during the week. Throughout the Course there will also be 'English Only Bonus' days. If a student is noticeably using English and is not caught more than once using any language other than English on that day, he or she will gain an extra ticket — a 'bonus'. At the end of the Course there will be a draw for the lucky ticket. The more tickets, the greater the chance of winning the prize. We hope that the prize will be a positive inducement for students to use English.

We are also proud to be associated with the Jörg Weise Memorial Scholarship. The Scholarship is a place on any of our Courses, return air ticket from anywhere in the world, pocket money and optional sports fees. The recipient of the Scholarship will be the sort of student outlined above who will benefit from attending the Course, but who is unable to apply for a place in the normal way for financial reasons. We welcome nominations for the Scholarship in 1989 which should be sent in confidence, and without informing the potential recipient, to Vacational Studies.

The Course Fee includes:-

- residence at the school
- all meals*
- tuition
- the sports programme
- the use of facilities
- excursions and one basic entrance fee

How we look after children

We understand the concern felt by parents when their children are away from home. They are under constant supervision, as far as is practicable, both in the School and on excursions. Our total staff:student ratio of about 1:8 ensures that the children are well looked after.

In addition to the staff, on each Course there are two older ex-students, 'Staff Helpers', to assist with sports and social activities.

During the Course, progress reports are sent to all parents detailing the child's performance in oral and written work and also social behaviour. At the end of the Course, all parents are sent a final report and leaving certificate together with a report from the Director on the student's general progress and behaviour.

If there is a problem

We shall contact you. We send students a list of rules and standards of behaviour expected before the Course begins. These are straightforward. Basically, we expect children to respect the buildings, equipment and the feelings of other people and show good manners.

If a child is correctly motivated (see section on 'Children who will benefit') there should be no discipline problems, but if any should arise, we reserve the right to contact parents and, if we consider it necessary, require that the child be taken home at the parents' expense without refund of Fees. Parents must, therefore, ensure that we have a telephone number through which they can always be contacted.

Children who will benefit

Please make sure that our Course is suitable for your child and that he/she wants to come. The children who will benefit and we enjoy having with us will be internationally-minded, interested in English, outgoing and gregarious. They will also be willing to accept the constraints of community living. We consider it so important that our standards and expectations are understood and accepted that we ask parents to confirm that they and their child have read and agree with our rules. A slip sent with the rules is provided for this purpose.

Religion

The Course is interdenominational. If parents so wish, we shall arrange for children to attend an appropriate service. Please indicate this on the Application Form. Transportation to and from the church is payable by students.

The Jörg Weise Memorial Trophy & Scholarship

This is awarded occasionally for 'an outstanding contribution to the ideals of the Course'. The Trophy was presented to Vacational Studies in 1980 by Professor Dr. Eberhard Weise, the Director of Bayer A.G. in Leverkusen, Germany, in memory of his son Jörg (1958-1979) who was a student of ours in 1971. For us Jörg Weise embodies the finest qualities of endeavour and achievement with a completely international outlook.

How to apply

Answer all the questions on the Application Form and (if we do not know your child) return it with a teacher's report on attitude to study and behaviour. Retain your copy for reference. We shall tell you immediately if the application is acceptable. A 'waiting list' operates when the Courses are full.

When the application is accepted

We shall write to inform you of this and include our Invoice for the Course Fees. The Invoice can be settled in full immediately or 50% can be paid immediately and the balance by the date shown on the Invoice. (Please note — in some countries we understand tax relief is allowed on all or part of the Fees.) The place is confirmed when the full Course Fees have been received by us. We shall also request travel details.

Travel

It is quite safe for children to fly alone. For young children, airlines operate an 'Unaccompanied Young Persons' service and look after them. There are many cut-price air-ticket offers — for early booking, for young people, or for travel on particular flights. We operate a standard collection and return transport service between Heathrow Airport and the Schools on arrival and departure for a small charge (see Fee slip). Our staff can meet students on flights arriving at Heathrow and check-in students on outgoing flights from Heathrow on the stated dates. Our staff are at Heathrow from 12.00-16.30 on arrival days and from 09.30-13.00 on departure days. If flights arrive earlier than 12.00, students must wait for our representative near the 'Information' desk. If flights leave after 13.00, we shall take students to wait in the correct area and explain the procedure. For arrivals or departures outside our requested times, parents are asked to indicate on the Travel Details form their agreement to children being at Heathrow without our staff. This is absolutely straightforward and safe.

We can make special taxi or minibus arrangements on your behalf if your child must arrive later or leave earlier than our dates or times, or if arrival or departure is at Gatwick Airport. There is no extra charge for our making arrangements for you, but instead of our stated collection/return service charge, the taxi or minibus charges are payable direct by students. (As a guide, a one-way taxi to Heathrow is about £33 and to Gatwick £44.) Please indicate any special requirements on the Application Form and send details separately.

At the Airport

Before travelling, we send an identity badge and luggage tags to ensure quick recognition. Our representative will also be wearing a badge, carrying a large 'Vacational Studies' sign and will meet your child at the entrance to the Arrivals Hall after leaving the Customs Hall.

If you do not take our standard collection/return service, but we make other arrangements for you, the same procedure applies.

If you come by car

Road directions are given by the Schools' addresses. Parents bringing their children to the Schools are asked to come between 12.30 and 14.30. Parents collecting children from the Schools on the last day are asked to come before 11.00.

On arrival at the School

All money is handed in at the Office for safe-keeping. It is then banked. The student can then withdraw money from his/her account daily. We keep passports and tickets safely. We cannot accept responsibility for pocket money or valuables not handed to us.

On the first day

On request, new students will be allocated to a returning student who will act as a 'guide' explaining the layout of the building, the way the Course runs and answering any questions.

Finally...

We have tried to describe the Courses fully and frankly. Please also see the section 'Unrealisable expectations' in the 'News-Sheet'. We hope this brochure contains all the information you need to make your choice. Any further details you may require can be obtained from the parents of our past students (the addresses of some of these are on the enclosed list) and the Director. We suggest that you contact our parental references as they may offer useful advice.

Our Courses are designed with the benefit of years of experience and we are confident that we can combine the learning of good written and spoken English with an unforgettable and enjoyable holiday for your child.

Disap... Note

students leave after 10.00, we shall then explain the procedure. For arrivals or departures outside our requested times, parents are asked to indicate on the Travel Details form their agreement to children being at Heathrow without our staff. This is absolutely straightforward and safe.

We can make special taxi or minibus arrangements on your behalf if your child must arrive later or leave earlier than our dates or times, or if arrival or departure is at Gatwick Airport. There is no extra charge for our making arrangements for you, but instead of our stated collection/return service charge, the taxi or minibus charges are payable direct by students. (As a guide, a one-way taxi to Heathrow is about £33 and to Gatwick £44.) Please indicate any special requirements on the Application Form and send details separately.

At the Airport

Before travelling, we send an identity badge and luggage tags to ensure quick recognition. Our representative will also be wearing a badge, carrying a large 'Vacational Studies' sign and will meet your child at the entrance to the Arrivals Hall after leaving the Customs Hall.

If you do not take our standard collection/return service, but we make other arrangements for you, the same procedure applies.

If you come by car

Road directions are given by the Schools' addresses. Parents bringing their children to the Schools are asked to come between 12.30 and 14.30. Parents collecting children from the Schools on the last day are asked to come before 11.00.

Pocket money

Pocket money can either be brought by your child, or sent in advance to the National Westminster Bank, 30 Market Place, Newbury, Berkshire RG14 5AJ, ('Vacational Studies Pocket Money A/C 65400100'). We recommend £120 for the month (£70 for 'Cheam 2'). Optional sports coaching fees should be added, if applicable. Pocket money should be brought in £ Sterling cash high value (£20 and £50) notes. Do not send more during the Course.

Clothes and possessions

Notes and advice on what to bring and other information will be sent to parents and students in advance.
