

Good morning Ian,

First I would like to thank you very much for hosting such a great program. My son really enjoyed it and I have just signed him up to return next year for the full four week program.

For Jan Vacstuds2024 was a rollercoaster ride.

His feedback after one week: "I hate it and I want to come home asap."

... after two weeks: "It's okay and I am getting to know people."

... after three weeks: "I have made fantastic friends and I really like it here."

... after four weeks: "It was great and I want to be back next year!"

So thanks a lot to you and your team. You have made this summer very special for my son.

Best regards

Marc
